

## PGDM – BOARD OF STUDIES

### 1. OBJECTIVES OF BOS:

The objectives of the Board of Studies are to ensure that:-

- a. The content of various courses is relevant and forward-thinking with appropriate need-of-the-hour inputs from experts in the industry and academia, in line with national and global trends;
  - The pedagogy and teaching-learning process creates an environment conducive for achieving high academic standards with particular focus on students' active participation through case studies, role plays, management games, project-based assignments, etc. so that students get an opportunity to develop their inherent skills, explore their creativity and expand their knowledge of management ideas and practices;
  - The student evaluation process is fair and logical with an appropriate mechanism for assisting student's under-performing set standards, through additional course work, assignments and performance improvement techniques.

### 2. The process of evaluation of an academic course proposal in further illustrated in the figure below:
