**Bro. Alphonse Nesamony - Chairman**

**S**t. Francis Institute of Management and Research (SFIMAR) has achieved autonomous status granted by University Grant Commission and University of Mumbai from the academic year 2024-2025 for a period of ten years. This achievement marks a pivotal moment in our journey towards academic excellence and institutional autonomy. Autonomous Status empowers us to develop our own curriculum and examination system aligning with industry requirements and other areas of career path of our students. It is heartening to note that our batch of 2024 – 2026 management professionals will be passing out from the Autonomous Institute (SFIMAR) which has NAAC A+ accreditation and our MMS/MBA programme is NBA accredited.

With greater autonomy, we could tailor our curriculum to be more industry-relevant, integrating the latest advancements in pedagogy and technology, and introducing specialized certificates and NPTEL courses that cater to emerging fields and niche industries. This concept and concerted efforts align with our national aim to become a developed Nation/Viksit Bharat by 2027.

Our teaching faculty members, Alumni and Training and placement department engage in collaboration with industry partners and academia in cutting-edge research, revision of syllabus and curriculum, grooming and mentoring of students for well-rounded intellectual and personality development. We have revamped our placement cell with the appointment of Mr. Sylvester D'Mello as 'Chief Placement Officer 'to head the Training and Placement Cell. With close to four decades of rich corporate experience, Mr. D'Mello also teaches students in Marketing and Operations specialization areas including Logistics and Supply Chain Management in the capacity of 'Professor of Practice' in our institute since we became Autonomous. Our placement professionals and teachers love to continue their Institute – Industry interaction by meeting top officials of the industry keeping our students career growth in mind.

In nutshell, all our plan and strategy of St. Francis Institute of management and Research at its heart, is about people and God's Creation – our students, faculty, staff, alumni, parents, academic and industry partners, our facilitators from Government and NGO's and other stakeholders.
